March 3<sup>rd</sup>, 2014

Dear Hareesh Gu,

Congratulation! It is our pleasure in offering you admission to 2014 Summer Research Program at National Tsing Hua University, College of Engineering. You will be awarded *Global Engineer Leadership Scholarship*, which includes subsidized round trip airline tickets up to NTD 15,000 and free nine-week accommodation at university residence hall. You have the option to change to dormitory Ching with subsidy of NTD 6000.

You have been accepted to the 1st session & 2nd session from May 12 to August 25. You will be conducting short-term academic research under the supervision of professor Dongliang Daniel Sheu at Department of Industrial Engineering and Engineering Management. For academic related questions, he can be reached at dsheu@ie.nthu.edu.tw

Please email Ms. Genie Chen (coeia@my.nthu.edu.tw) with your decision to accept or decline this offer of admission, as well as any questions for the program. We would appreciate receiving a reply as soon as possible, but no later than March 10. If you accept admission for the program, please complete the information form sending along. Further information will be send to you over email after receiving your confirmation.

We suggest you to start your visa application early in order to get it before your travel. We look forward to welcoming you to the University as a member of the 2014 Summer Research Program.

Sincerely,

Chi-Young Lee

Chi-Young Lee, Ph.D.  
Professor and Director of International Affairs  
College of Engineering  
National Tsing Hua University
